PROFILE OF THE COLLEGE

Our College is run by Sri Balaji Educational and Charitable Public Trust. It is a registered trust founded by Sri.M.K.Rajagopalan, a dynamic entrepreneur, in association with result oriented, innovative professionals and NRIs to establish trendsetting educational institutions in the Union Territory of Pondicherry. The Trust aims to produce highly efficient, competitive and potentially resourceful student community to meet the challenges and exploit opportunities in the new millennium.

OUR VISION

“Social engineering through quality teacher education”

OUR MISSION

“By adopting global aims, dynamic content and modern modes of delivery in teacher education to ensure equitable society through sustainable growth and inclusive education”

LOCATION

Sri Venkateswara College of Education (SVCE) situated at Thiruvettakudy in Karaikal. Offering B.Ed. course. SVCE is situated in the unitary building with well-established infrastructure facilities as per the guidelines given by the NCTE. Karaikal town is 130 Km from Puducherry and 18 Km from Nagapattinam. It is well connected by Rail and Road. The nearest Railway Station is Karaikal.

INFRASTRUCTURE

SVCE has excellent infrastructure to cater to the needs of both B.Ed. students cum future Gurus. Class rooms are well ventilated and spacious with the essential paraphernalia required for modern methodologies on teaching. Conference halls are sophisticatedly furnished providing all facilities for all sorts of educational events. Our enthusiastic, experienced, well organized and supportive team of teachers is proficient in their respective fields.

SCOPE OF THE CONFERENCE

The Oldest doctor uses latest technology where as the youngest teacher still uses the oldest technology in their profession. Technology is the king pin of any developmental revolution. Many research findings are in favour of digital

and technology enabled learning. It is the bounden duty of the teachers to take leadership in transforming the society through technology. But ironically there seems to be a dearth of leadership quality among the youngsters who are going to be future leaders. The abundance of opportunities that technology provides in learning and ubiquitous need of apt leadership to take advantage of technology must clone in a single platform. Sri Venkateswara College of Education extends that platform through its National Conference on Technology Enabled Learning and Leading (NCTELL)

OBJECTIVES OF THE CONFERENCE

- To bring out the challenges and opportunities of technology enabled learning and leading.
- To improve the excellence of technology enabled educational sphere among the didactic community.
- To virtually unite all academicians of our mother India via technology.
